Press Release For Immediate Release

TCF gives to CHEO so they can take on DELCO Diabetes

With over 300 active files and more applications daily, Community Health and Education Outreach (CHEO) has taken its mission to heart. CHEO strives to support every community member affected by HIV or Diabetes. In recognition, Taylor Community Foundation (TCF) has awarded CHEO a grant of \$2,300. The grant will be used to purchase additional diabetic testing supplies for use by CHEO clients.

CHEO is determined to improve the health and quality of life for the elderly, disabled, and HIV affected populations. TCF is committed to initiate and support programs and organizations that advance health, wellness, education, and community spirit within the TCF Service Area.
