### **Swimmers “Made a Splash” to Raise Funds for MS**

On Friday, July 15th, swimmers from all across Delaware County dove in to help people with Multiple Sclerosis. Swimmers of all ages and abilities came out to De LaSalle Swim Club to enjoy a fun filled morning of swimming activities. With nearly 100 people in attendance the event was a great success.

Through the hard work and dedication of event coordinator Ceire Hay, along with a challenge grant from Taylor Community Foundation, the SWIM FOR MS raised over \$1,250 for Multiple Sclerosis.

A huge thank you to everyone who accepted the challenge — and for bringing your enthusiasm and boundless energy with you!
